Report of Principal and School Improvement Council

The 2012-2013 school year at Pinehurst Elementary (PIES) primarily focused on actively engaging students in the learning advance in order to progress our students to the met and exemplary levels, close the achievement gap, and build a solid foundation to prepare students for on-time graduation. PIES is proud this year to have successfully implemented both school-wide intervention/enrichment times and 3rd grade Intervention Classes, which have smaller class sizes that focus on research based interventions/enrichments in reading and math. In addition, we focused on increasing parental involvement, increasing school-to-home interactions and relations, and enhancing data-driven classroom instructional strategies through ongoing staff development. As a result of the Charleston Achieving Excellence: Vision 2016, all of our classrooms are now equipped with integrated SMART boards, SMART document cameras, and Lightspeed Technologies sound systems.

School-wide interventions this year included: Leveled Literacy Intervention Program, Voyager Reading and Math, Compass Learning, Number Worlds, Connecting Math, Wilson Foundations, and Ticket to Read. Our Core Team provided the guidance and framework for our Response To Intervention (RTI) Model through weekly Core Team meetings.

Opportunities for parental involvement were reinforced through multiple family nights, weekly call-outs, PTO meetings, school functions such as SMART (Science, Math and Related Technologies) Nights, Mom's Morning Out, PASS Push Saturdays, the annual Literacy Carnival, Farmer's Market, Parent English Classes, and open invitations for all parents to attend monthly School Improvement Council/Parent Teacher Organization Board meetings. Communication with parents was provided in both English and Spanish to ensure all parents were informed of all school activities and events through our school translator/parent liaison.

All teachers participated in weekly Teacher Curriculum Team (TCT) Meetings. TCT Meetings are designed to discuss and analyze Curriculum Standards, Instructional Practices, Instructional Calendars, and data provided by Common Assessments, Measures of Academic Progress (MAP) reports, AIMSweb, and district Benchmark Assessments.

Our positive school climate allows our children to be a part of a nurturing environment where they know they can, and will, reach their full potential. We continue to make daily decisions based on data and individual student progress. Our high expectations have resulted in exemplary performances from our teachers and our students. We are excited about our accomplishments and look forward to continued success at PIES, where "Excellence is Our Standard".

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
